**COUNTY MANAGER'S RECOMMENDATION OR COMMENTS:**

**SUMMARY OF INFORMATION:**

Forsyth County received notice to apply for Rural Operating Assistance Program (ROAP) Grant funding in the amount of \$281,818.83 for Fiscal Year 2019-2020.

The Rural Operating Assistance Program (ROAP) is a state-funded public transportation grant program administered by the North Carolina Department of Transportation – Public Transportation Division. ROAP consolidates the Elderly and Disabled Transportation Assistance Program (EDTAP), the Employment Transportation Assistance Program (EMPL), and the Rural General Public (RGP) Transportation Program into a single application package. County governments and eligible transportation authorities are the only eligible applicants for ROAP funds. All eligible applicants must submit an annual application to receive these funds.

EDTAP funds are used to provide assistance for the transportation of the state's elderly and disabled citizens allowing these individuals to reside for a longer period in their homes, thereby enhancing their quality of life. Examples of eligible trips include trips for personal care activities, medical appointments, and trips to the pharmacy.

EMPL funds are intended to help DSS clients that transitioned from Work First or TANF in the last 12 months, Workforce Development Program participants and/or the general public to travel to work, employment training and/or other employment-related destinations. Examples of eligible trips include job interviews, job fair attendance, job readiness activities/training, transportation to a workplace, and transportation to childcare for children of working parents.
