COUNTY MANAGER'S RECOMMENDATION OR COMMENTS: Recommend Approval

SUMMARY OF INFORMATION:

On December 19, 2019, the Forsyth County Board of Commissioners amended the Fiscal Year 2020 Budget Ordinance to appropriate additional revenue from the North Carolina Department of Public Safety, Division of Adult Corrections and Juvenile Justice, Juvenile Community Programs section as expansion funding related to the implementation of Raise the Age. As part of this amendment, \$25,000 was placed in a budget reserve to be allocated at a later date for a comprehensive gang assessment for Forsyth County.

The cost of the comprehensive gang assessment is estimated at \$50,000 to \$60,000. This agenda item is necessary to move the pass-through funds of \$25,000 out of a budget reserve and also to appropriate \$35,000 of Behavioral Health fund balance reserves in order to encumber a contract with Forsyth Futures to complete the comprehensive gang assessment.

Based on data collected from youth who were under court supervision by the Department of Public Safety in FY19, there are a significant number of youths who have used alcohol or illegal drugs (substance abuse) and require further treatment/assessment as well as a significant number who had mental health needs that were either being addressed or require further assessment. Forsyth County's Behavioral Health Services dollars are used to provide assistance with Mental Health, Substance Abuse, and/or Intellectually/Developmentally Delayed issues. Staff believes that the comprehensive gang assessment is an appropriate use of Behavioral Health funds.
