

FORSYTH COUNTY

BOARD OF COMMISSIONERS

MEETING DATE: APRIL 1, 2021

AGENDA ITEM NUMBER: 17

SUBJECT: RESOLUTION AWARDING A CONTRACT FOR THE PURCHASE OF THIRTY-FOUR LIFEPAK DEFIBRILLATORS FOR FORSYTH COUNTY EMERGENCY SERVICES

COUNTY MANAGER'S RECOMMENDATION OR COMMENTS: Recommend Approval

SUMMARY OF INFORMATION:

The Forsyth County Emergency Services Department wishes to enter into an agreement with Stryker Sales Corporation for the purchase of thirty-four (34) LifePak 15 defibrillators and 34 KORE data plans for modems that go with the units. The County's current LifePak defibrillators have reached end of life and it is desirable to replace all of these units in order for all Emergency Services personnel to use the same equipment, regardless of which ambulance unit they are assigned each shift. These devices are utilized by paramedics to deliver lifesaving cardioversion and defibrillation, monitor cardiac electrical activity, pulse oximetry, EtCO2 levels, assess 12-lead cardiac rhythms and transmit information to the hospitals.

At the December 17, 2020, meeting, the Forsyth County Board of Commissioners reserved \$642,775 for EMS Defibrillator Replacement as part of the 2020 Pay-Go Capital Projects Ordinance. After bidding out the defibrillator contract, quotes came in higher than the amount reserved by the Board of Commissioners by \$72,451. The cost for these 34 devices is not to exceed \$715,226, with the County's current LifePak defibrillators being traded in as part of this purchase. The department will find the balance of \$72,451 within its operating budget to complete this purchase.
