This is one central location where you can find some of the most frequently accessed resources available to veterans, military service members, and their families. It is not an exhaustive list of all resources or protections available. Please contact DMVA if you have questions regarding the content or if you need additional assistance.

## FROM THE GOVERNOR

Army Chief of Staff General Mark A. Milley with Governor Cooper

I'm proud to count as fellow North Carolinians hundreds of thousands of veterans who have served our country to protect the freedoms we hold dear. My administration and I are working to ensure that veterans in North Carolina are treated with the honor, dignity and respect they deserve.

We are fortunate to be the home of the most renowned military bases in our nation and the thousands of brave men and women stationed at them. And when servicemembers return to civilian life, we're grateful that so many of them choose to call North Carolina home permanently. Our state is one of the top 10 destinations for veterans as they transition back into civilian life.

Because of this, it is only fitting that I appointed to lead the North Carolina Department of Military & Veterans Affairs Secretary Larry Hall, a distinguished Marine Corp veteran who understands the needs of active military personnel and veterans. Secretary Hall and his staff are dedicated to enriching the lives of veterans and their families. They have produced this Resource Guide to help connect veterans with the help they need.

We want to make sure veterans who call North Carolina home have access to the resources and assistance they need, whether they are looking to start a business, find a new job, continue their education, or find housing or health care. Please call (844)NC4-VETS [844-624-8387] or go online to [Milvets.nc.gov](http://Milvets.nc.gov) for the latest updates and information. I hope that you will find the information valuable and will share it with your fellow veterans and their families. I also encourage you to let us know how we can be of greater assistance to you.

As Governor, I want every active service member and veteran to know that the people of North Carolina welcome them and are honored to have these brave men and women call our state home.

**Roy Cooper**, Governor  
State of North Carolina

*N.C. Department of Military and Veterans Affairs*

**Dedicated to serving North Carolina  
veterans, servicemembers, and their families**

# A MESSAGE FROM SECRETARY LARRY D. HALL

## DMVA

*N.C. Department of Military and Veteran Affairs*

The North Carolina Department of Military and Veteran Affairs is the newest state government agency and we are dedicated to helping our veterans and active duty men and women access the programs, benefits and resources that they earned when they took the oath and answered the call to service. Our staff is committed to providing the highest level of service, responsiveness and integrity in keeping with the principles and values of this state and nation that our military and their families deserve. That is why this annual Resource Guide is made available to our military and veterans as a centralized location for you to find the support that you deserve.

As a native North Carolinian, proud Marine and Secretary for the North Carolina Department of Military Affairs, I have witnessed firsthand the proud tradition of this state in supporting our active military, veterans and their families. I grew up watching with my

mom as my dad executed jumps as a paratrooper at Fort Bragg as a member of the 82nd Airborne. I was able to attend the Airborne's 100th anniversary and witness their continued pride and tradition. I am honored to be a Marine for Life, having served at Camp Lejeune in the 2nd Marine Division during my active and reserve duty. As the state's leading advocate for military and veterans, my first priority is to exemplify the sense of unity embodied in our slogan "**veterans and the military are part of the community, not apart from the community**" and we are strengthening that bond every day.

Governor Cooper and DMVA know that veterans, our active military members and their families are a vital part of our community. It is our mission to honor and salute your sacrifices, and the sacrifices of the wives, husbands, mothers and fathers who answered the call to service. We are accountable to you for the sacrifices that you made for

us. That's why we don't only aim to meet your expectations, we work to exceed them. Our combined number, including active, reserve, National Guard and veterans, exceed one million. In the near future, we anticipate that 1 out of every 9 North Carolinians will be a military veteran. Going forward, we continue our duty to stand up for you and those that come behind you as your advocates at the local, state and federal levels. You answered the call and sacrificed for our country and now we stand ready to answer the call to serve you.

Very respectfully,

**Larry D. Hall**, Secretary  
N.C. Department of Military  
and Veteran Affairs

# SERVICES BY COUNTY

## What is NCServes?

NCServes is a first-of-its kind, coordinated network of service providers who are self-organizing as a collective body – above and beyond their own unique organizational designs – to ensure unequalled access to the very best and most comprehensive network of services, resources, and care designed exclusively for service members, veterans, and their families found anywhere in America. Working within the national AmericaServes network of 16 communities, NCServes now serves more than 7,000 military-connected Americans with 15,000+ unique service requests.

## Veterans and their families contribute over \$8.2 Billion to North Carolina's economy.

In recent years, the state of North Carolina has realized attracting and retaining this highly skilled population positively impacts communities and the economy. Veterans and military families, nearly one-third of the state's population, provide a competitive advantage, fueling private sector growth and enabling military installations. However, in order to retain this population and successfully transition these individuals into the evolving workforce, states must actively and competitively provide tailored services, resources, and care that address their unique needs.

## Coordination Networks

These coordinated networks, known locally as NCServes, belong to a nationwide AmericaServes movement (TX, WA, NC, SC, NY, PA, RI, SC, VA) designed by Syracuse University's Institute for Veterans and Military Families (IVMF) in order to comprehensively address the needs of the population and catalyze improved access to services in order to support success in civilian life.

By integrating research and demonstrated methodology into NCServes, IVMF has cultivated an innovative and impactful coordinated network, designed to be a comprehensive service delivery system of services, resources, and care involving over 150 human service providers and more than 300 practitioners from across the public, private, and nonprofit sectors and across the state.

## No Shortage of Services. The Challenge is Navigation.

North Carolina veterans, service members and their families face challenges daily as they attempt to navigate the thousands of agencies, non-profits, and local programs that all claim to want to "help" them.

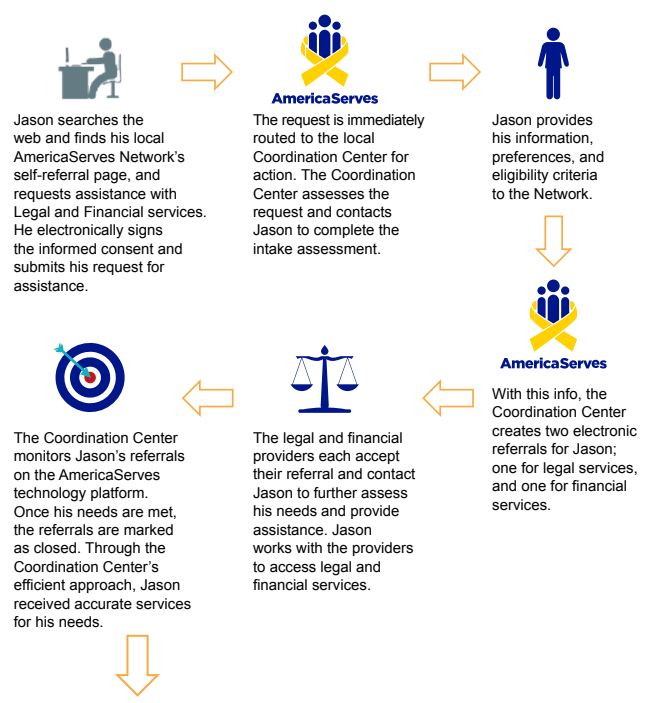

### #1 CHALLENGE → NAVIGATING BENEFITS

What if instead of growing government, the solution was coordinating the thousands of already existing programs?

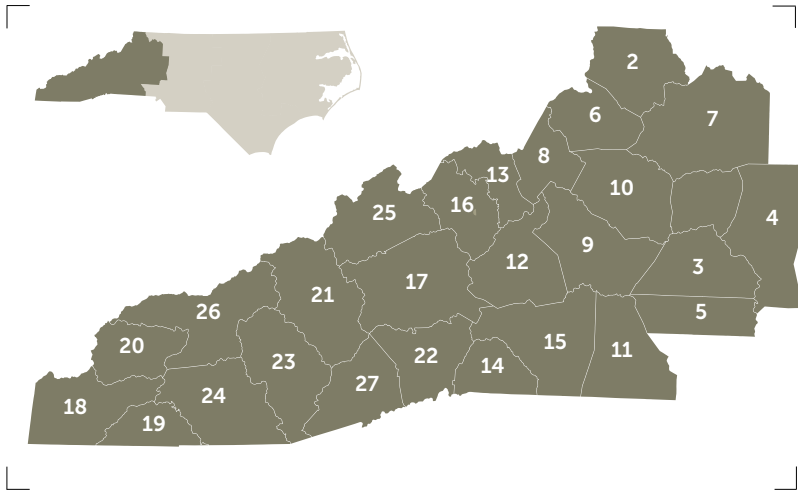

## The AmericaServes Journey

Every day, AmericaServes communities coordinate services, resources, and care for veterans of all eras. Jason, a Post 9/11 veteran, is one of thousands who are struggling. He needs both financial and legal assistance. He submitted an online assistance request to his local AmericaServes Network stating, "I need help with many things. I'm all alone and cannot really depend on anyone."

Finally, a statewide effort to drive accountability.

## **NC WORKFORCE OFFICES, VETERAN EMPLOYMENT PROGRAMS, TOOLS AND RESOURCES.**

Some Veterans face significant barriers that make it difficult for them to find suitable employment, especially vets who are transitioning into civilian life. DMVA partners with NCWorks and most NCWorks offices have specialized staff (all of who are Veterans) who work closely with employers to create greater opportunities for Veterans.

### OFFICE FOR HISTORICALLY UNDERUTILIZED BUSINESSES

The State of NC has a goal of spending at least 10% of construction projects and goods and services with certified Historically Underutilized Businesses (HUBs). The goal applies to state agencies, public universities, community colleges, school systems and, for construction projects, it also applies to local governments.

Veteran-owned businesses can apply to become certified HUBs through the Office for Historically Underutilized Businesses. Companies eligible for HUB certification are those that are 51% or more owned and managed on a daily basis by individuals who are Black, Hispanic, Asian American, American Indian, Female, Disabled (service related disabilities apply) or Socially and Economically Disadvantaged. The

HUB Office's mission is to promote economic opportunities for historically underutilized businesses in state government contracting and procurement that will foster their growth and profitability.

Certified HUBs are part of a publicly searchable database on the HUB Office website and within state purchasing systems. HUB vendors can sign up to receive e-mail notifications about upcoming bid opportunities through the NC Interactive Purchasing System. Events and bid requests can also be seen on the HUB Office's Bid Opportunities page.

To learn more about HUB Certification go to:  
<https://ncadmin.nc.gov/businesses/hub/hub-certification>

## DISABLED VETERANS OUTREACH PROGRAM SPECIALISTS

Veterans can find employment information, education and training opportunities, job counseling, job search workshops, and resume preparation assistance at state Workforce Centers or by contacting a Disabled Veteran Outreach Specialist through the Department of Commerce.

These Outreach Specialists work directly with veterans and disabled veterans to find them employment or training.

Disabled Veterans Outreach Specialists (DVOS) and Local Veterans Employment Representatives (LVER) assist veterans in applying for federal, state, local government and private sector employment.

Call us, and we'll point you to the right place to go!

## VETERAN CAREER FAIRS, EXPOS AND WEBSITES

The federal government, including DoD, the VA and many state and local entities hold career expos and job fairs throughout the state. There are also many websites that feature job openings with companies looking to hire veterans with tools to help translate military experience into civilian equivalent experience.

Go to [milvets.nc.gov](http://milvets.nc.gov) for the latest information and latest job fairs or hiring events near you. Visit our Facebook page at [facebook.com/NC4VETS](https://facebook.com/NC4VETS) or call [844.NC4.VETS](tel:844.NC4.VETS).

## **Military Training to NC Occupational Employment**

NC is now offering Veterans with certain Military Occupation Specialty (MOS) credit toward several NC License occupations. In reference to NC General Assembly Session Law 2014-67, License Boards representing several NC license occupations have been required to provide a process to recognize military training in pursuing a licensed occupation in NC.

Military spouses may also qualify for certain occupational licenses. Upon meeting specific conditions, an occupational licensing board shall issue a license, certification, or registration to a military spouse to allow them to lawfully practice their occupation in North Carolina.

The interactive tool helps vets learn about their career options. The site has tasks, skills, salary information, job listings, and more for over 900 different careers. Veterans can find careers through keyword search; by browsing industries that employ different types of workers; or by discovering civilian careers that are similar to their job in the military. Veterans can also take advantage of the O\*NET Interest Profiler, a tool that offers personalized career suggestions based on a person's interests and level of work experience.

The U.S. Department of Labor, through the Veterans' Employment and Training Service (VETS), provides assistance to all persons having claims under the Uniformed Services Employment and Reemployment Rights Act (USERRA), a federal law that protects the employment rights of military service members and veterans. VETS provides assistance to those persons experiencing service connected problems with their civilian employment and provides information about USERRA to employers. VETS also assists veterans who have questions regarding Veterans' Preference in federal hiring.

# YOUR RIGHTS UNDER USERRA THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

## REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- ☆ you ensure that your employer receives advance written or verbal notice of your service;
- ☆ you have five years or less of cumulative service in the uniformed services while with that particular employer;
- ☆ you return to work or apply for reemployment in a timely manner after conclusion of service; and
- ☆ you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

## RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- ☆ are a past or present member of the uniformed service;
- ☆ have applied for membership in the uniformed service; or
- ☆ are obligated to serve in the uniformed service;

then an employer may not deny you:

- ☆ initial employment;
- ☆ reemployment;
- ☆ retention in employment;
- ☆ promotion; or
- ☆ any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

## HEALTH INSURANCE PROTECTION

- ☆ If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- ☆ Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

## ENFORCEMENT

- ☆ The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.
- ☆ For assistance in filing a complaint, or for any other information on USERRA, contact VETS at **1-866-4-USA-DOL** or visit its **website at <http://www.dol.gov/vets>**. An interactive online USERRA Advisor can be viewed at **<http://www.dol.gov/elaws/userra.htm>**
- ☆ If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- ☆ You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: <http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.

As a veteran, you have the opportunity to explore the next chapter of your career.

Broadly speaking, there are two options:

**1)** Seek employment from an existing company or **2)** Become an entrepreneur and start a business. As a veteran, you possess the leadership skills and other highly valued traits to become a successful entrepreneur. The choice is yours.

Whether you retired or just separated from military service – or are a military spouse/ family member – the resources that follow are provided to equip you with a wide range of information about starting and growing a business. The majority of these services are available to you at NO COST. Understand the journey of entrepreneurship and seek assistance from qualified organizations.

## Historically Underutilized Businesses

Department of Administration

The State of NC has a 10% goal of utilization with certified Historically Underutilized Businesses (HUBs) on construction projects and in the procurement of goods and services. The goal applies to state agencies, public universities, community colleges, school systems and local governments.

Veteran-owned businesses are encouraged to become certified HUBs through the Office for Historically Underutilized Businesses. Companies eligible for HUB certification are those that are 51% or more owned and managed on a daily basis by individuals who are Black, Hispanic, Asian American, American Indian, Female, Disabled (service related disabilities apply) or Socially and Economically Disadvantaged.

The HUB Office's mission is to promote economic opportunities for historically underutilized businesses in state government contracting and procurement that will foster their growth and profitability. Certified HUBs are part of a publicly searchable database on the HUB Office website that is utilized by private industry and public agencies to meet HUB goals and solicit for opportunities. HUB vendors can sign up to receive e-mail notifications about upcoming bid opportunities through the NC Interactive Purchasing System. Events and bid requests can also be seen on the HUB Office's Bid Opportunities page.

## CONNECTIONS

### TOGETHER WE DEFEND

NCDBA is the only trade association in the state dedicated to preserving the defense trade. Members engage with lawmakers in North Carolina as well as Washington D.C. to keep current contracts and bring future contracts to the state. Members also have the opportunity to build a cluster with a prime to work together on acquiring and fulfilling government contracts. NCDBA is a private trade group with no state or federal funding. This means that there are no government mandates on what we do, meaning we can empower members in ways government-funded groups cannot. With multiple forums where members can come together and collaborate on current issues within the defense

## FILE A CLAIM

North Carolina Division of Veteran Affairs Service Officers (VSO) and local County Veteran Service Officers (CVSO) provide free VA disability claim assistance. Veterans can also receive free assistance through other Veteran Service Organizations such as: Vietnam Veterans of America, Veterans of Foreign Wars, Disabled American Veterans, etc. Veterans can also file a claim on line through eBenefits, a joint VA/DoD web portal that provides resources and self-service capabilities ([see page 53](#)).

2

## SUBMIT EVIDENCE

Veterans must provide evidence of a current disability to support a claim. Submitting evidence concurrently with a claim will help expedite the process. A veteran's disability evaluation is based on evidence so It's essential that the evidence submitted is relevant, accurate, and complete. Service Officers can assist with obtaining evidence to support a claim.

3

## VA EXAMINATION

The VA may request an examination depending on the veteran's claim and treatment history. If required, Veterans will be scheduled for an exam. After the exam, a report is sent to the VA Rating Authority and is used, along with the additional evidence of record, to make the determination. Attending the exam, if scheduled, is crucial to the claim outcome.

4

## VA DECISION

The VA considers all evidence of record and decides whether to grant or deny the benefit. The Veteran is notified by mail. The notification includes an explanation of the basis for approval or denial, list of evidence reviewed, and available recourse, if they disagree with the decision. Veteran disability awards are defined and set based on federal law.

**TIP:** Ask your private doctor to include your VA file number on all records they submit.

## CHECKLIST TO FILE CLAIM

- Bring a copy of your DD 214 and evidence that supports your claim.  
Never assume the VA has the necessary information on file.
- Be sure your VA file number is included on every page of your correspondence and documentation.  
Respond quickly and completely to the VA's request for further information.
- Keep all scheduled medical appointments.
- Notify the VA immediately if your address or phone number changes. Online through eBenefits, or by phone 1-800-827-1000.
- Know your service dates and Social Security number. If you are a spouse of a deceased veteran, you should know this information, along with any previous marital status of your veteran.
- Be prepared to provide a voided check or Banking Account and Routing Numbers to setup direct deposit for any VA payment.

## OPTIONS FOR DENIED CLAIMS OR IF YOU DISAGREE WITH A DECISION

If the VA denies your claim you may appeal the decision. You may also appeal if your claim was approved, but you disagree with any part of the rating. An appeal involves many steps, some of which are optional, some that are required. The appeals process has strict time limits that include:

- Notice of Disagreement (NOD)
- Statement of Case (SOC)
- Hearing (Optional)
- Formal Appeal (Form 9)
- Board of Veterans Appeals (BVA)
- U.S. Court of Appeals for Veterans Claims (CAVC)

Unfortunately, this process can take years to come to a final decision, but once a decision has been made, you will be notified by mail.

**NOTE:** Before you file an appeal, consider obtaining new & material evidence and request your denied claim be reconsidered. This can save time and effort. Talk to your local Veterans Service Officer before you file an appeal.

## VETERANS CLAIMS & ADVOCACY FOR VETERANS, THEIR SURVIVORS AND DEPENDENTS

The Federal VA benefit system actually is a legal system. In order to qualify for benefits, veterans must file a claim against the United States proving they are eligible for these benefits through the submission of legal, military and medical evidence.

NCDMVA employs federally accredited and state certified Veterans Service Officers (VSOs) who are subject matter experts in Federal VA law (Chapter 38 United States Code and Chapter 38 Code of Federal Regulations) and are allowed to practice by taking Power of Attorney for veterans seeking benefits. These VSOs represent veterans, their dependents and survivors before the Federal VA in their claims and appeals.

With its County Veteran Service Officer and National Service Officer partners, NCDVA provides claims and counseling advocacy and representation to North Carolina's 800,000 veterans.

## ▶ SIGN UP for eBenefits @ eBenefits.VA.GOV

In 2013, NC Veterans completed 68,895 claims, an increase of 38% from 2013. Currently, NCDMVA holds Power of Attorney for nearly 150,000 North Carolina Veterans.

In addition to claims work, VSOs regularly help veterans and their families learn about other benefits that they may be eligible for. VSOs are knowledgeable about the many resources available within the state and can usually assist in finding help and solutions to issues that you may be facing.

### GULF WAR REGISTRY HEALTH EXAM FOR VETERANS

VA's Gulf War Registry Health Exam alerts Veterans to possible long-term health problems that may be related to environmental exposures during their military service. The registry data helps VA understand and respond to these health problems more effectively.

This comprehensive health exam includes an exposure and medical history, laboratory tests, and a physical exam. A VA health professional will discuss the results face-to-face with the Veteran and in a follow-up letter.

#### Important points about registry health exams

- Free to eligible Veterans and no co-payment
- Not a disability compensation exam or required for VA benefits
- Enrollment in VA's health care system not necessary
- Based on recollection of service, not on their military records
- Veterans can receive additional registry exams, if new problems develop
- Veterans' family members are not eligible for registry exams

#### Eligibility for Gulf War Registry Health Exam

Veterans who served in the Gulf during Operation Desert Shield, Operation Desert Storm, Operation Iraqi Freedom, or Operation New Dawn are eligible for the Gulf War Registry exam.

You do not need to be enrolled in VA health care to take part.

### AGENT ORANGE REGISTRY HEALTH EXAM FOR VETERANS

VA's Agent Orange Registry health exam alerts Veterans to possible long-term health problems that may be related to Agent Orange exposure during their military service. The registry data helps VA understand and respond to these health problems more effectively.

This comprehensive health exam includes an exposure history, medical history, physical exam, and any tests if needed. A VA health professional will discuss the results face-to-face with the Veteran and in a follow-up letter.

Contact your local VA Environmental Health Coordinator about getting an Agent Orange Registry health exam.

## AIRBORNE HAZARDS AND OPEN BURN PIT REGISTRY

Veterans and Service Members who were close to burn pit smoke or exposed for longer periods may be at greater risk for health problems. Health effects from burn pit exposure will vary and depend on a number of factors such as the kind of waste being burned, pre-existing conditions, and wind direction.

Veterans and Service members can use the registry questionnaire to report exposures to airborne hazards (such as smoke from burn pits, oil-well fires, or pollution during deployment), as well as other exposures and health concerns.

**Registry participation is open to any Veteran or Service Member who served in:**

- OEF/OIF/OND or in Djibouti, Africa, after September 11, 2001, or
- Operations Desert Shield or Desert Storm or the Southwest Asia theater of operations after August 2, 1990.

The Southwest Asia theater of operations includes the following locations: Iraq, Kuwait, Saudi Arabia, Bahrain, Gulf of Aden, Gulf of Oman, Oman, Qatar, United Arab Emirates, waters of the Persian Gulf, Arabian Sea, the Red Sea, and the airspace above these locations.

## DEPENDENCY AND INDEMNITY COMPENSATION

**Dependency and Indemnity Compensation (DIC) is the primary monthly monetary benefit payable to surviving dependents of a deceased veteran, and is the monetary benefit to disability compensation for veterans.**

This benefit is payable if the veteran died on active duty or in the line of duty and the death was not due to willful misconduct. Or, if death was after service, the death was caused by or attributed to a service-connected disability, or, if service member was rated 100% compensation for certain statute time limits.

The current basic monthly rate of DIC is \$1,283.11 effective 12/01/2017 for an eligible surviving spouse. The rate is increased for each dependent child, and also if the surviving spouse is housebound or in need of aid and attendance. VA also adds a transitional benefit to the surviving spouse's monthly DIC if there are children under age 18. The amount is based on a family unit, not individual children.

**For further rates information visit:**

## PRESUMPTIVE HEALTH CONDITIONS

There are three categories in which veterans may qualify for service-connected disability based on a condition to be presumed by military service. These groups are:

- 1 veterans who were diagnosed with a chronic disease such as arthritis, diabetes, or hypertension within one year of being released from active duty;
- 2 veterans diagnosed with amyotrophic lateral sclerosis (ALS) anytime after discharge of service and have at least 90 days of continuous service; and
- 3 veterans who served in the conflicts/geographic regions associated with specific exposures and have been diagnosed with specific diseases. For more information on presumptive health conditions, please contact a VSO.

**FORMER POW'S** Imprisoned for not less than 30 days and a disability of at least 10 percent disabling.

**VIETNAM VETERANS** [Exposed to Agent Orange] Served in the Republic of Vietnam between Jan. 9, 1962 and May 7, 1975.

**ATOMIC VETERANS** [Exposed to Ionizing Radiation] Participated in atmospheric nuclear testing; occupied or was a POW in Hiroshima or Nagasaki; service before Feb. 1, 1992 at diffusion plant in Paducah, KY, Portsmouth, OH, or Oak Ridge, TN; or service before Jan. 1, 1974 at Amchitka Island, AK.

**GULF WAR VETERANS** served in the Southwest Asia Theater of Operations during the Gulf Wars with conditions that are medically unexplained, including chronic multi-symptom illnesses defined by a cluster of signs or symptoms that have existed for six months or more.

**CAMP LEJEUNE** [Exposure to Contaminated Drinking Water at Camp Lejeune] **EFFECTIVE 14 MARCH 2017**

The VA has established a presumptive service connection for Veterans, Reservists, and National Guard members exposed to contaminants in the water supply at Camp Lejeune from August 1, 1953 through December 31, 1987 who later developed one of the following eight diseases:

- Adult leukemia
- Aplastic anemia and other myelodysplastic syndromes
- Bladder cancer
- Kidney cancer
- Liver cancer
- Multiple myeloma
- Non-Hodgkin's lymphoma
- Parkinson's disease

Presently, these conditions are the only ones for which there is sufficient scientific and medical evidence to support the creation of presumptions; however, VA will continue to review relevant information as it becomes available.

## DEATH PENSIONS

### SURVIVORS PENSION

The Survivors “Death” Pension benefit, is a tax-free monetary benefit payable to a low-income, un-remarried surviving spouse and/or unmarried child (children) of a deceased Veteran with wartime service. The deceased Veteran must have met certain active duty and war time service requirements as well as was discharged from service under other than dishonorable conditions.

Survivors Pension is based on your yearly family income, which must be less than the amount set by Congress and net worth may not be excessive to qualify.

While an un-remarried spouse is eligible at any age, a child of a deceased wartime Veteran must be: Under 18, OR Under age 23 if attending a VA-approved school, OR Permanently incapable of self-support due to a disability before age 18.

Learn more about survivor pension benefits at: <https://www.benefits.va.gov/pension/spousepen.asp>

### BURIAL BENEFITS

Dependents and surviving spouses of an eligible veteran are eligible to be buried in national cemeteries.

When a death occurs and eligibility for interment in a national cemetery is determined, grave space is assigned by the cemetery director in the name of the veteran or family member. One gravesite is permitted for the interment of all eligible family members, unless soil conditions or the number of family decedents necessitate more than one grave. There is no charge for burial in a national cemetery.

See Page 69 for more information on Burial Benefits.

### HEADSTONES AND MARKERS

Spouses and dependents are not eligible for a Government-furnished headstone or marker unless they are buried in a national cemetery, state veteran’s cemetery, or military post/base cemetery.

# COMPENSATION AND PENSION

A monetary benefit paid to veterans who are disabled by an injury or illness incurred or aggravated during active military service. These disabilities are considered to be service connected.

## DISABILITY COMPENSATION

Disability compensation is paid monthly and varies with the degree of disability, the impairment to a veteran's earning capacity and the number of dependents. Veterans with certain severe disabilities may be eligible for additional special monthly compensation. These benefits are not subject to federal or state income tax.

## NATIONAL GUARD /SELECT RESERVE

Reservists who serve on active duty establish veteran status and may be eligible for the full range of VA benefits, depending on the length of active military service and a discharge or release from active duty under conditions other than dishonorable. In addition, reservists not activated may qualify for some VA benefits.

National Guard members can establish eligibility for VA benefits if activated for federal service during a period of war or domestic emergency. Activation for other than federal service does not qualify guard members for all VA benefits.

Claims for VA benefits based on federal service filed by National Guard members should include a copy of their military orders, presidential proclamation or executive order that clearly demonstrates the nature of their federal service.

## MILITARY RETIRED PAY

Historically, veterans have not been permitted to receive full military pay and VA compensation for benefits at the same time. Veterans who were entitled to both have had to either waive a portion of their retirement equaling the amount of awarded VA compensation or elect not to receive VA compensation at all. Receiving both benefits and retirement pay is commonly known as "concurrent receipt."

In 2004, Congress passed the Concurrent Retired and Disability Pay Act, allowing many veterans to receive 100 percent of the military retirement and VA compensation. Because of the complexity of this issue, visit [www.dfas.mil](http://www.dfas.mil) for more information.

## VA DISABILITY PENSION BENEFIT FOR WARTIME VETERANS

A non-Service-Connected Disability VA Pension is a benefit paid to wartime veterans who have limited or no income, and who are age 65 or older, or under 65 and are permanently and totally disabled, a patient in a nursing home or are receiving Social Security disability payments. The amount that's payable depends upon the type and amount of income the veteran and family members receive from other sources.

## WHAT IS eBenefits?

eBenefits is a joint VA/DoD web portal that provides resources and self-service capabilities to Veterans, Service Members, and their families to research, access and manage their VA and military benefits and personal information. eBenefits uses secure credentials to allow access to personal information and gives users the ability to perform numerous self-service functions. It is an essential way for veterans, service members, and their families to receive access to and service from VA and DoD.

## WHAT CAN I DO IN eBenefits?

Some of the features within eBenefits allow veterans and service members to access official military personnel documents, view the status of their disability compensation claim, transfer entitlement of Post-9/11 GI Bill to eligible dependents (service members only), and register for and update direct deposit information for certain benefits.

## HOW DO I ACCESS eBenefits?

eBenefits is located at [www.ebenefits.va.gov](http://www.ebenefits.va.gov). Before veterans or service members can access and use eBenefits they must be listed in the Defense Enrollment Eligibility Reporting System (DEERS) and obtain a DS Logon. They can choose from two levels of registration, DS Logon Level 1 (Basic) and DS Logon Level 2 (Premium).

## WHAT IS A DS LOGON?

A DS Logon is a secure identity (username and password) that is used by various DoD and VA websites, including eBenefits. If you are already registered in DEERS, you are eligible for a DS Logon. Once you have a DS Logon, it is valid for the rest of your life.

Veterans who are more seriously disabled may qualify for Aid and Attendance or Housebound benefits. These benefits are paid in addition to the basic pension rate. Monthly payments are made to qualified veterans to bring their total income to a congressionally established support level (including other retirement and Social Security income).

## AID AND ATTENDANCE (A & A)

An A&A benefit is paid in addition to monthly pension. A&A is allowed if the veteran: requires the aid of another person in order to perform his or her daily living activities; is bedridden; is a patient in a nursing home due to mental or physical incapacity; or has corrected visual acuity of 5/200 or less, in both eyes, or concentric contraction of the visual field to 5 degrees or less.

## HOUSEHOLD BENEFITS

A&A may not be paid without eligibility for pension. Qualifying veterans must have a single permanent disability (rated 100 percent disabled), and need assistance, or have a single permanent disability (100 percent disabled) and another disability, or disabilities, evaluated as 60 percent or more disabling.

A veteran cannot receive both A&A and Household Benefits at the same time.

## BURIAL & CEMETERY BENEFITS

The U.S. Department of Veterans Affairs (VA) Benefits Administration oversees a burial benefits program designed to assist claimants in meeting the funeral and burial costs of a deceased veteran. The VA does not make funeral arrangements with a funeral provider or cremation office. You should advise your family of your wishes and where your discharge papers are kept. These papers are very important in establishing your eligibility. You may wish to make pre-need arrangements with a funeral home.

under a condition other than dishonorable; and met other qualifications similar to that of a non-serviceconnected death.

### FILING A CLAIM FOR REIMBURSEMENT OF EXPENSES

To file for reimbursement of burial expenses, an Application of Burial

### SERVICE-CONNECTED DEATH

If a veteran's death is service-connected, the VA will pay burial allowance of up to \$2,000 for deaths on or after Sept. 11, 2001. If the veteran is buried in a VA national cemetery, some or all of the cost of moving the veteran's body to the national cemetery nearest the veteran's home may also be reimbursed. There is no time limit for applying for a serviceconnected burial allowance. The person who bore the veteran's burial expense may claim reimbursement from any VA regional office.

### NON-SERVICE-CONNECTED DEATH

If a veteran's death is not service-connected, there are two types of payments the VA may make: Burial and plot expense allowances. The VA will pay a burial and plot allowance if the veteran was discharged under conditions other than dishonorable and the veteran was in receipt of VA pension or compensation at the time of death. If a veteran died while in a VA facility or as a patient at an approved state nursing home, the VA may also pay this allowance.

### BURIAL PLOT ALLOWANCE

When a veteran is buried in a cemetery that is not under the U.S. government jurisdiction, the VA may also pay a plot allowance, provided that the veteran was discharged

Allowance form must be submitted to the VA. The person filing the claim must also provide a certified copy of the veteran's death certificate and proof of the veteran's military service (Form DD-214), and itemized bills of the funeral and burial expenses.

### BURIAL FLAG

A United States flag is provided, at no cost, to drape the casket or accompany the urn of a deceased veteran who served honorably in the U.S. Armed Forces. It is furnished to honor the memory of a veteran's military service to his or her country. When burial is in a national, state or post cemetery, a burial flag will automatically be provided. When burial is in a private cemetery, the funeral director will generally help the next of kin with this process.

### HEADSTONE AND MARKERS

The Department of Veterans Affairs (VA) furnishes upon request, at no charge to the applicant, a Government headstone or marker for the unmarked grave of any deceased eligible veteran in any cemetery around the world, regardless of their date of death. For eligible veterans that died on or after Nov. 1, 1990 and whose grave is marked with a privately purchased headstone, VA may also furnish a headstone or marker to supplement

the grave or a medallion to be affixed to the privately purchased headstone. Eligible veterans are entitled to either a Government-furnished headstone or marker, or the new medallion, but not both.

## BRONZE MEDALLIONS FOR HEADSTONES AND MARKERS

The Department of Veterans Affairs (VA) may also provide a medallion, by request, to be affixed to an existing privately purchased headstone or marker to signify the deceased's status as a veteran. If requested, the medallion is furnished in lieu of a traditional Government headstone or marker for veterans that died on or after Nov. 1, 1990, and whose grave is marked with a privately purchased headstone or marker.

## BURIAL AT SEA

The VA National Cemetery Administration cannot provide burial at sea. For information, contact the U.S. Navy Mortuary Affairs office toll free at: **(866) 787-0081**

## MILITARY FUNERAL HONORS

The Department of Defense (DoD) is responsible for providing military funeral honors. "Honoring Those Who Served" is the title of the DoD program for providing dignified military funeral honors to veterans who have defended our nation. Visit the North Carolina Veterans Affairs website for further information and instructions about this service.

For more information:

<http://www.nc4vets.com/burial-cemetery-benefits>

## PRESIDENTIAL MEMORIAL CERTIFICATES

A Presidential Memorial Certificate (PMC) is an engraved paper certificate, signed by the current president, to honor the memory of honorably discharged deceased veterans.

## SURVIVOR BENEFIT PLAN

When a military retiree dies, their retirement pay stops. This means that the surviving spouse no longer receives income. If a veteran is a military retiree, thought needs to be given as to how to protect the spouse from hardships caused by the loss of the retirement pay.

One option available is the Survivor Benefit Plan (SBP). The SBP is an insurance plan that will pay the veteran's surviving spouse a monthly payment (annuity) to help make up for the loss of retirement income. The plan is designed to protect survivors against the risks of the veteran's early death, a survivor outliving the benefits, and inflation.

Survivors should report retiree deaths to the Defense Finance and Accounting Services (DFAS) casualty office at: **(800) 321-1080**.

## DEATH PENSIONS

Survivors' (Death) Pension is a needs-based benefit paid to an unmarried surviving spouse, or an unmarried child, who meets certain age or disability requirements, of a deceased wartime veteran.

In order to qualify for a VA Death Pension, the VA calculates income received from most sources by the surviving spouse and any eligible children. It includes earnings, disability and retirement payments, unemployment insurance payments, interest and dividends payments, and net income from farming, business or rental property.

If the income is below a certain level, the dependent or surviving spouse may be eligible for this pension.

## BURIAL BENEFITS

Dependents and surviving spouses of an eligible veteran are eligible to be buried in national cemeteries.

When a death occurs and eligibility for interment in a national cemetery is determined, grave space is assigned by the cemetery director in the name of the veteran or family member. One gravesite is permitted for the interment of all eligible family members, unless soil conditions or the number of family decedents necessitate more than one grave. There is no charge for burial in a national cemetery.

## HEADSTONES AND MARKERS

Spouses and dependents are not eligible for a Government-furnished headstone or marker unless they are buried in a national cemetery, state veteran's cemetery, or military post/base cemetery.

The next chapter of your life is calling.

## VA HEALTH CARE BASIC ELIGIBILITY

A person who served in the active duty military and who was discharged or released under conditions other than dishonorable may qualify for VA health care benefits.

Reservists and National Guard members also may qualify for VA health care benefits if they were called to active duty (other than for training only) by a federal order and completed the full period for which they were called or ordered to active duty.

Veterans who enlisted after Sept. 7, 1980, or who entered active duty after Oct. 16, 1981, must have served 24 continuous months or the full period for which they were called to active duty in order to be eligible.

This minimum duty requirement may not apply to veterans discharged for hardship, early out, or a disability incurred or aggravated in the line of duty.

### 5-YEAR POST DEPLOYMENT BENEFIT.

Veterans, including members of the National Guard and activated reservists, are eligible for the enhanced “Combat Veteran” benefits if they served on active duty in a theater of combat operations after Nov. 11, 1998, and have been discharged under honorable conditions.

**IF YOU KNOW A VET WHO NEEDS TO CHANGE HIS DISCHARGE,**

### ENROLLMENT

For most veterans, entry into the VA health care system begins by applying for enrollment.

To apply, complete VA Form 10-10EZ, Application for Health Benefits, which may be obtained from a VA health care facility or regional benefits office, online or by calling VA.

Once enrolled, veterans can receive health care at VA health care facilities anywhere in the country. Veterans enrolled in the VA health care system are afforded privacy rights under federal law.

During enrollment, each veteran is assigned to a priority group based on their service connected disability rating and other factors. VA uses priority groups to balance demand for VA health care enrollment with resources.

## MILITARY SEXUAL TRAUMA

Military Sexual Trauma (MST) is the term that the U.S. Department of Veterans Affairs uses to refer to sexual harassment that occurred while the veteran was in the military. It includes any sexual activity where someone is involved against his or her will—he or she may have been pressured into sexual activities (for example, with threats of negative consequences for refusing to be sexually cooperative, implied faster promotions, or better treatment in exchange for sex), and may have been unable to consent to sexual activities (for example, when intoxicated), or may have been physically forced into sexual activities.

Both women and men can experience MST during their service. All veterans seen at Veterans Health Administrations facilities are asked about experiences of sexual trauma because they know that any type of trauma can affect a person's physical and mental health, even many years later. People can recover from trauma and the VA has free services to help veterans do this. You do not need to have a VA disability (service connected) rating to receive these services and may be able to receive services even if you are not eligible for other VA care. You do not need to have reported the incident(s) when they happened or have other documentation that they occurred.

For more information, veterans can speak with a VA healthcare provider, contact the MST Coordinator at their nearest VA Medical Center, or contact their local Vet Center.

MST information can be found at :

- [mentalhealth.va.gov](http://mentalhealth.va.gov)
- <https://www.ptsd.va.gov/public/types/violence/military-sexual-trauma-general.asp>

## WOMEN VETERANS HEALTH CARE

1-855-VA-WOMEN [1-855-829-6636]

[www.womenshealth.va.gov](http://www.womenshealth.va.gov)

**Women veterans are eligible for the same VA benefits as male veterans.** Comprehensive health services are available to women veterans including primary care, mental health care and reproductive health care services. VA provides management of acute and chronic illnesses, preventive care, contraceptive services, menopause management, and cancer screenings, including pap smear, and mammograms, and gynecology.

- **Maternity care** is covered in the medical benefits package to include care for newborn children of women veterans for up to 7 days after birth. VA is also mandated to implement pilot programs to provide child care to women veterans receiving medical care, and to provide readjustment services to women veterans. Infertility evaluation and limited treatments also are available.
- **Women Veterans Program Managers** are available at all VA facilities to help veterans seeking treatment and benefits.

### WOMEN'S HEALTH

Woman Veterans who are interested in receiving care at VA should contact the nearest VA Medical Center and ask for the Women Veterans Program Manager.

<https://www.womenshealth.va.gov/WOMENSHEALTH/healthcare.asp>

## TRAVEL REIMBURSEMENT

The VA is authorized to provide eligible Veterans and other beneficiaries mileage reimbursement, common carrier (plane, train, bus, taxi, light rail etc.), or when medically indicated “special mode” (ambulance, wheelchair van) transport for travel to and from VA, or VA authorized non-VA health care for which the Veteran is eligible. Veterans qualify for travel benefits if:

- Veteran has a service-connected (SC) disability of 30% or more.
- Travel is in connection with care for SC disability
- Previous year income does not exceed maximum VA pension rate
- Projected income in travel year does not exceed maximum VA pension rate
- Travel is for a C&P exam
- Travel is to obtain a service dog
- Travel is in relation to VA transplant care

Beneficiaries may apply for travel orally or in writing generally at the facility where care was provided however, in some cases there may be an alternate process. For more information, go to the Beneficiary Travel Office at the treating facility or call **877.222.8387** or visit: <https://iris.custhelp.com/>

## NON-VA MEDICAL CENTER EMERGENCY CARE

Veterans are eligible for emergency care at non-VA facilities under certain circumstances. The 2010 Veterans Emergency Care Protective Act enabled VA to reimburse veterans enrolled in VA health care for the remaining cost of emergency treatment if the veteran has outside insurance that only covers part of the cost.

If the non-VA emergency care is received, notification to the nearest VA health care facility must be made within 72 hours of hospitalization. VA payment is limited up to the point that veteran’s condition is stable for transport to a VA Facility.

The VA can also provide retroactive reimbursements for emergency care received or after July, 19, 2001, if considered appropriate under the circumstances.

## SCHEDULED VERSUS UNSCHEDULED APPOINTMENTS

Scheduled appointments qualify for round-trip mileage. Unscheduled visits may be limited to return mileage only.

In order to be eligible for travel benefits when transporting to VA care or treatment, a veteran must actually be incurring an expense. Should one or more veterans travel together in a private vehicle, only the owner of the vehicle is actually incurring expenses and therefore is the only person entitled to travel reimbursement. However, should multiple veterans share a vehicle where passengers must pay for their transport such as a taxi or where one veteran pays another for transportation, then all are entitled to travel reimbursement either at the mileage reimbursement rate or actual expense, whichever is less. Such persons must provide a receipt to indicate an incurred expense and to receive reimbursement. Find your local medical center for reimbursement rates.

## VA HOSPITAL TRANSPORTATION SERVICE PROGRAM

The Veterans Health Administration has a transportation program for non-ambulatory and remote VA patients. The Veterans Transportation Service (VTS) provides transport for veterans to VA Medical Centers (VAMCs). These services include vehicle routing and scheduling software for VA Medical Facilities.

While all veterans with VA funded medical appointments are eligible to ride VTS, a first priority is given to wheelchair-bound patients who have no other transportation alternatives. VTS is establishing a network of community and volunteer transportation services to improve access to VA health care, including the Durham VAMC.

### RESERVATIONS ARE REQUIRED

Reservations are needed for transportation at least four full business days before the date of transport is needed. Specific information about the veteran is also required.

To see if services are available in your area, call:

- Asheville: (828) 298-7911 EXT. 7977

## DAV TRANSPORTATION NETWORK

Because many veterans lack transportation to and from VA medical facilities for needed treatment, the Disabled American Veterans (DAV) operates a nationwide Transportation Network to meet this need. Through the Transportation Network, DAV volunteers drive veterans to and from VA medical facilities for treatment. To request a ride, visit:

## CHAMPVA AND TRICARE

The Civilian Health and Medical Program of the U.S. Department of Veterans Affairs (CHAMPVA) is a comprehensive health care program in which the VA shares the cost of covered health care services and supplies with eligible beneficiaries. The program is administered by Health Administration Center.

Due to the similarity between CHAMPVA and the Department of Defense (DOD) TRICARE program (sometimes referred to by its old name, CHAMPUS) the two are often mistaken for each other. CHAMPVA is a U.S. Department of Veterans Affairs (VA) program whereas TRICARE is a regionally managed health care program for active duty and retired members of the uniformed services, their families, and survivors. In some cases a veteran may look to be eligible for both/either program on paper. However, if you are a military retiree, or the spouse of a veteran who was killed in action, you are and will always be a TRICARE beneficiary.

## TRAUMATIC BRAIN INJURY [TBI]

Major advancements in protective and medical technology have vastly increased survivability rates among wounded U.S. service members. They have also introduced new challenges to care for increasing numbers of veterans and service members with extremely complex injuries, particularly polytrauma and traumatic brain injury.

A Traumatic Brain Injury (TBI) happens when something outside the body hits the head with significant force. This could happen when the head hits a windshield during a car accident, when a piece of shrapnel enters the brain, or during an explosion of an improvised explosive device (IED).

Individuals who sustain a TBI may experience a variety of effects, such as an inability to concentrate, an alteration of the senses (hearing, vision, smell, taste, and touch), difficulty speaking, and emotional and behavioral changes.

If you experienced head trauma during your service, please contact the VA to schedule an examination. To learn more about TBI, visit [www.polytrauma.va.gov](http://www.polytrauma.va.gov)

**Each service member**

## TRAUMA AND PTSD

Post Traumatic Stress Disorder (PTSD) is a mental health issue that can occur after someone goes through a traumatic event such as war, assault, disaster, or a car accident. Most people have some stress reactions after a trauma.

Each service member will have their own experiences. However, understand that almost all service members will need time to readjust after being in a war zone. This can be especially intense during the first months at home. Common stress reactions are a normal part of readjustment.

The stigma of mental health issues can be a huge barrier for people who need help, but knowing when and how to get help is actually part of military training.

Visit your local Vet Center (complete list of locations are on page 89) if you would like to talk to someone about what you are experiencing. You can also learn more about PTSD at [ptsd.va.gov](http://ptsd.va.gov)

## ONLINE MANAGEMENT

Managing your health information appointments, prescriptions, labs, blood tests and even exchanging messages with your health care team has never been easier.

- View your VA appointments
- Access VA wellness reminders

## ADDITIONAL RESOURCES

### for North Carolina

### Veterans through the Division of Mental Health, Developmental Disabilities and Substance Abuse Services.

#### Returning Veterans and Possible Behavioral Health Issues

Although the majority of veterans who return from deployment do not have a behavioral health condition and have not experienced a traumatic brain injury (TBI) all service members, veterans and family members experience a period of readjustment as they reintegrate into life with family, friends and community. Behaviors needed to survive in war zone, such as maintaining a constant state of alertness, may initially translate into troublesome behaviors in civilian life. SAMHSA, 2012.

The North Carolina Division of Mental Health, Developmental Disabilities, and Substance Abuse Services (MH/DD/SA) with its **Local Management Entities-Managed Care Organizations (LME-MCOs)** provides mental health, developmental disabilities, including TBI and substance use services through a network of community-based agencies in all of the state's 100 counties.

Services and support are available to address the full continuum of care including crisis intervention, prevention, treatment and recovery supports for both adults and children. Program services are accessed by contacting the LME/MCO contracted to provide services in your county. To find out which LME-MCO your county is assigned to please visit the DMH/DD/SAS website at [ncdhhs.gov/mhddsas/lmeonblue.htm](http://ncdhhs.gov/mhddsas/lmeonblue.htm) or you can call the customer service and community rights call center at **1-855-262-1946**. The LME-MCO can also assist individuals needing to access the services provided by the Division of State Operated Health Facilities (DSOHF). ### MISSION

“To provide quality health care services in a professional and ethical manner, ensuring the trust, confidence and respect of our veteran residents, their families, employees, and the communities we serve”

The NC State Veterans Homes provide skilled nursing care to all eligible veterans. All of the NC State Veterans Homes are certified by VA Medical Centers of jurisdiction, Medicaid, Medicare, and the Joint Commission.

Our professional staff and volunteers are committed to providing quality, comprehensive, short term or long term care with an extra warm and personal touch. It is important each veteran feels we are not just a skilled nursing facility, but an actual “home” in every sense of the word. Every individual is of vital interest to us and we ensure that our focus is the total needs of the resident. Through quality care and constant companionship, we strive to make every day not a “living experience,” but “an experience worth living.”

We encourage veterans and family members to arrange a pre-admission tour and meeting at your convenience. This will let you see first-hand the care and warmth of our homes as well as give you the opportunity to ask questions about the facility, or visit [www.NC4VETS.com](http://www.NC4VETS.com) for a link to a virtual tour.

### POST 9/11 GI BILL

The Post 9/11 GI Bill will pay eligible individuals full tuition and fees directly to the school for all public school in-state students, attending classes at a greater than part-time rate.

A Monthly Housing Allowance (MHA) based on the Basic Allowance for Housing (BAH) for an E-5 with dependents is also provided. Distance learning enrollee's housing allowance is equal to half the national average BAH for an E-5 with dependents. An annual books and supplies stipend is paid proportionately based on years of active duty service.

([GIBill.va.gov](http://GIBill.va.gov))

### MONTGOMERY GI BILL

Montgomery GI Bill (MGIB) benefits are available for service members and veterans to help with education and training costs.

MGIB can be used to pay for many different programs including the following degrees; business, technical or vocational courses, distance learning including correspondence courses, apprenticeship/job training, wflight training, licensing and certification exams.

VA educational benefits may be used while the service member is on active duty or after the service member's separation from active duty with a fully honorable military discharge. Discharges "under honorable conditions" and "general" discharges do not establish eligibility.

Eligibility generally expires 10 years after the service member's discharge. However, there are exceptions for disability, re-entering active duty, and upgraded discharges.

An individual approved to transfer an entitlement to educational assistance under this section may transfer the individual's entitlement to the individual's spouse, or one or more of the individual's children or any combination of spouse and child. A family member must be enrolled in the Defense Eligibility Enrollment Reporting System (DEERS) and be eligible for benefits, at the time of transfer to receive transferred educational benefits.

As a Registered Apprenticeship program, your program may be "Approved for GI Bill". To determine whether your program is eligible, it is best to first contact your State Approving Agency (SAA) for advice and guidance. Find your state's contact information: [nccommerce.com/workforce/job-seekers/apprenticeship](http://nccommerce.com/workforce/job-seekers/apprenticeship)

Please contact your local service officer for further assistance. See pages 12-19 for contact information.

## STUDENT LOAN DEBT AND FOR-PROFIT SCHOOLS

### Veterans and servicemembers are disproportionately harmed by student loan debt abuses

Nationally, student loan debt has exploded in the past decade, with education borrowing outpacing all other consumer loan debt. Estimates now put outstanding student loan debt at about \$1.4 trillion. Servicemembers and veterans are particularly vulnerable to two areas of abuse that are major causes of the marked increase in student loan debt: loan servicing abuses and exploitation by predatory for-profit schools.

Servicemembers are eligible for student loan benefits and protections under the Servicemembers Civil Relief Act (SCRA), including a 6 percent interest rate cap for loans incurred prior to the start of military service. For many servicemembers, that benefit includes student loan interest. However, some student loan services fail to comply with the SCRA. For example, Navient, the nation's largest student loan servicer, engaged in a pattern of violating the SCRA by failing to provide members of the military the required reduction in student loan interest. And, although disabled veterans who have a 100 percent Total and Permanent disability rating or receive a rating of Individual Unemployability (IU) qualify for student loan discharge, the discharge may not be properly applied to borrowers' accounts. In 2017, the Consumer Financial Protection Bureau and state Attorneys General in Illinois and Washington sued Navient for a variety of abuses, including failing to properly discharge the debt of disabled veterans.

Students at for-profit colleges have less favorable outcomes than others. They are less likely to graduate, more likely to take out student loans, have more debt, and are more likely to default on that debt than students at public or private four-year schools. In North Carolina, only 17.7% of students at for-profit schools complete their degree on time, compared to 56.4% of students at public four-year colleges and universities.

Servicemembers and veterans are disproportionately and aggressively targeted by for-profit colleges seeking to take advantage of the G.I. Bill and other military educational assistance funds. Post-9/11 G.I. Bill funds and Veterans Assistance educational benefits are excluded from what is known as the 90/10 Rule, which prohibits for-profit schools from receiving more than 90 percent of funding from federal financial aid and requires that the remaining 10 percent come from private sources.

Because G.I. Bill funds are not considered federal financial aid under the 90/10 Rule, for-profit colleges aggressively recruit veterans and servicemembers to exploit the loophole and collect as much G.I. Bill revenue as possible. Analysis of Education Department data by the nonprofit Veterans Education Success found that the for-profit sector's dependence on the federal revenue stream from veterans and servicemembers has increased by almost 60 percent –

**GI BILL HOTLINE  
(888) 442-4551**

growing from \$727 million in Fiscal Year 2011-12 to \$1.15 billion in Fiscal Year 2013-14 for schools that received more than 90 percent of their revenue from federal sources.

Unfortunately, the federal government has rolled back certain consumer protection guidelines for student loan servicers and has proposed to eliminate federal student loan programs that can help servicemembers and veterans reduce student loan debt. Federal developments have also put students of for-profit colleges at risk by delaying protections against failing for-profit programs and by delaying and potentially repealing protections for students who attended fraudulent for-profit schools.

Although protections are being eliminated at the federal level, there are steps North Carolina can and should take at the state level to prevent student loan servicers and for-profit colleges from engaging in abusive practices that prolong the problems of mounting student loan debt for servicemembers and veterans. Those protections can include requiring student loan servicers to apply payments correctly, prohibiting servicers from defrauding or misleading borrowers, requiring that for-profit colleges spend taxpayers' money on instructing students rather than marketing and recruiting and demanding that for-profit colleges meet minimum outcomes for job placement and student loan repayment rates.

## NATIONAL CALL CENTER FOR HOMELESS VETERANS

**1-877-4AID-VET**  
[1-877-424-3838]

Contact VA's National Call Center for Homeless Veterans at **877-4AIDVET (877-424-3838)** to speak to a trained VA responder. The hotline and online chat are free and neither VA registration nor enrollment in VA healthcare is required to use these services.

Expert responders staff the hotline for homeless veterans 24 hours a day, seven days a week. The responders can provide emergency support and resources to homeless veterans, family members, as well as community agencies and non-VA providers.

When you call or join the online chat, you will be connected to a trained VA responder. The responder will ask a few questions and assess your needs.

If you're a veteran, you may be connected with the Homeless Program point of contact and the nearest VA facility.

According to the National Coalition for Homeless Veterans (NCHV), about 23 percent of America's homeless population are veterans. This equates to between 529,000 and 840,000 veterans who are homeless at some time each year. Because of this, the Department of Veterans Affairs and other non-profit organizations have devised a number of initiatives to help our homeless veterans.

**See next page for some of the initiatives provided by VA for our Veterans.**

## HOMELESS VETERANS' REINTEGRATION PROGRAM

The Homeless Veterans' Reintegration Program (HVRP) provides services to assist in reintegrating homeless veterans into meaningful employment while connecting these veterans to service delivery systems to address the complex problems homeless veterans face.

USDOL grant funding is awarded on a competitive basis to eligible applicants such as state and local workforce development boards, public agencies, for profit/commercial entities and non-profit organizations, including faith based and community based organizations. The program is 'employment focused' and veterans receive the employment and training services they need in order to re-enter the labor force.

For more information, contact the North Carolina field office for **USDOL VETS** at [919-814-0250](tel:919-814-0250).

## VA'S COMPENSATED WORK THERAPY

VA's Compensated Work Therapy (CWT) is comprised of three unique programs which assist homeless veterans in returning to competitive employment: Sheltered Workshop, Transitional Work, and Supported Employment. Veterans in CWT are paid at least the federal or state minimum wage, whichever is the higher.

The Homeless Veteran Support Employment Program (HVSEP) provides vocational assistance, job development and placement, and ongoing supports to improve employment outcomes among homeless veterans and veterans who have been trained as Vocational Rehabilitation Specialists (VSRs).

CWT veterans have been successfully employed over the years in various competitive positions including, but not limited to, health care, information technology, manufacturing, warehousing construction trades, clerical and office support, retail and services delivery. CWT programs develop an individual rehabilitation plan for each veteran and provide a wide range of support services to the veteran at the CWT locations. Benefits including service-connected compensation, and non-service-connected pensions cannot be reduced, denied, or discontinued based on participation in CWT.

The CWT program's mission is to provide realistic and meaningful vocational opportunities to the veteran, and encouraging successful reintegration into the community at the veteran's highest functional level.

Contact your local VA Medical Center on page 86.

## TRANSITIONAL RESIDENCE PROGRAM

The Transitional Residence (TR) program is a work-based Psychosocial Residential Rehabilitation Treatment Program offering a therapeutic residential setting for veterans involved in Compensated Work Therapy. The TR program provides a rehabilitation-focused residential setting for veterans recovering from chronic mental illness, chemical dependency and/or homelessness. TR provides a bridge between hospitalization or intensive outpatient treatment in a successful community of peer and professional support, with a strong emphasis on increasing personal responsibility and achievement of individualized rehabilitation goals.

This program differs from other VA-operated residential bed programs in that participants contribute (using their CWT earnings) to the cost of operating and maintaining their residence and are responsible for planning, purchasing and preparing their own meals.

Contact your local VA Medical Center on page 89.

## HUD-VASH

This joint Supportive Housing Program with the US Department of Housing and Urban Development (HUD) provides permanent housing and ongoing case management treatment services for homeless veterans who would not be able to live independently without the support of case management. HUD's Section 8 Voucher Program has designated more than 10,000 Vouchers to Public Housing Authorities (PHAs) throughout the country for veterans who are homeless. This program allows veterans to live in veteran selected apartment units with a Housing Choice voucher.

These vouchers are portable so that veterans can live in communities served by their VA medical facility where case management services can be provided. See your local county social services office for more information.

## DROP-IN CENTERS

These programs provide a daytime sanctuary where homeless veterans can clean up, wash their clothing, and participate in a variety of therapeutic and rehabilitative activities. Linkages with longer-term assistance are also available. Locations vary.

Contact your local Vet Center or VA Community Based Outpatient Clinic for locations and services in your area. See page 89.

## AVOIDING DEBT-TRAP LOANS

High-cost, debt-trap loans can create long-term problems for North Carolina Veterans

Across North Carolina, military, veteran, faith and community leaders are increasingly focused on the harm predatory lending inflicts on our communities. Some lenders violate state law and extend loans designed to trap borrowers in a cycle of debt. Veterans and active-duty service members should be aware of which loans are legal and which are illegal in North Carolina, how to avoid a long-term financial headache and where to turn for help if you need it.

Installment, payday and car-title loans are misleadingly marketed to veterans across the country as a quick fix when they are in a financial bind. However, once vets take out these loans, may find that they cannot pay them off and cover their living expenses. They end up taking out loan after loan after loan, paying new fees each time. This is the “debt trap,” and for some it's a cycle they remain caught in for months or even years.

Fortunately, payday and car title loans are illegal in North Carolina, including loans made over the internet. However, some lenders still make illegal internet loans to North Carolina residents. If you are caught in one, you should report the lender to the North Carolina Attorney General's office.

Installment loans, however, are legal in North Carolina as long as the loan does not exceed our state's interest rate and fee caps. North Carolina law has a complicated formula for determining the maximum annual percentage rate (APR) of interest. Lenders may charge up to 30% on loans up to \$4000, and lower rates (24% and 18%) on amounts above \$4000, as well as additional origination fees. Installment lenders are not required by state law to determine whether a borrower actually has the ability to repay a loan. This is significant because a borrower who falls behind on their loan and refinances to avoid a default is the ideal customer for these lenders. Data from the NC Commissioner of Banks office show that, on average, two-thirds of these installment loans made each year in North Carolina are to renew existing loans.

North Carolina veterans are better off considering other options before taking out one of these loans. Credit counselors can help you make a plan to manage your finances, or can help if you are having trouble repaying an installment loan. Many banks and credit unions offer alternatives to installment loans at a fraction of the interest rates other lenders charge. While most people are hesitant to

ask friends or family for money, borrowers caught in the debt trap often turn to them for help to escape it anyway.

We are making progress ending the debt trap, but there is still work to do. In October 2017, the Consumer Financial Protection Bureau issued a new rule for payday, car-title, and high-cost installment loans which requires lenders to ensure that the borrower can effectively repay the loan. There are several threats at the federal level to undo this important safeguard, which protects the more than 700,000 North Carolina veterans who are not covered by the Military Lending Act (MLA) from 300% interest predatory loans.

Going forward, it is important that our North Carolina legislature maintain the ban on car-title and payday lending. And it's important that installment loans not be made even more expensive.

If you would like to join our coalition or learn more about this issue, contact **Susan Lupton** at the **Center for Responsible Lending** at [susan.lupton@responsiblelending.org](mailto:susan.lupton@responsiblelending.org) or **919-313-8521**.

## HOUSING HELP AVAILABLE FOR MILITARY VETERANS

The North Carolina Housing Finance Agency offers help to not only get veterans into

homes but to help them remain there.

Veterans who want to put down roots with a new home can keep their mortgage payments low with the NC Home Advantage Mortgage™, which offers up to 5% in down payment help. As a veteran, though, you may qualify for a bigger boost with the NC 1st Home Advantage Down Payment that instead offers \$8,000 in assistance. Or, you may choose the NC Home Advantage Tax Credit, which enables qualified veterans and first-time home buyers to save up to \$2,000 each year on federal taxes with a Mortgage Credit Certificate.

The down payment options are 0%, deferred loans that are reduced by 20% per year at the end of years 11–15 (completely forgiven at end of year 15). In addition, the 30-year, fixed-rate NC Home Advantage Mortgage™ can be structured as a VA loan, enabling you to couple our down payment help with all the advantages of the VA home loan, including no mortgage insurance premium and limitations on closing costs.

The NC Housing Finance Agency offers these mortgage products through participating lenders statewide.

“We believe helping all North Carolinians buy homes is important, but it carries special meaning for veterans who may be establishing roots for the first time,” said Scott Farmer, executive director of the NC Housing

Finance Agency.

Equally vital is ensuring long-term home ownership success for military veterans who already own homes but may need help to stay in them.

If you require costly repairs or accessibility modifications to stay in your home, you may be eligible for help from the Agency. Aimed at correcting dangerous housing conditions or making your home more accessible for residents with disabilities, repairs and modifications are provided through local community partners that determine if you qualify and contract for and supervise the work.

The Agency may also be able to help if you find yourself struggling with your mortgage payments while you make the transition to civilian life. If you are looking for work or training for a new civilian career after discharge, the NC Foreclosure Prevention Fund provides zero-interest, deferred loans of \$36,000 to pay your mortgage. If you remain in your home for 10 years after the assistance ends, the you won't have to pay the back the loan, which is reduced by 20% per year at the end of years six through 10. Offered by the Agency using funds from the U.S. Department of the Treasury's Hardest Hit Fund, this help is provided through HUD-approved housing counseling organizations statewide.

To learn more about the Agency's mortgage products, emergency repairs and accessibility modifications and foreclosure prevention help, visit the Home Buyers and Homeowners sections at [www.nchfa.com](http://www.nchfa.com).

### GUIDE DOGS AND SERVICE DOGS

VA may provide guide dogs to blind veterans including the expense of training the veteran on how to use them, and the cost of the dog's medical care.

Additionally, VA may also provide service dogs trained for the aid of hearing impaired veterans and veterans with spinal cord injuries, dysfunction and other chronic impairment that substantially limits mobility. Currently there are pilot programs being conducted by the VA to provide service dogs to veterans who have conditions such as PTSD.

There are also many private non-profit organizations that provide service dogs to disabled veterans.

### CLOTHING ALLOWANCE

The VA pays a clothing allowance to veterans who, because of a service-connected disability, wears or uses a prosthetic or orthopedic appliance (including a wheelchair) in which the VA determined tends to wear out or tear the clothing. The VA will also pay an annual clothing allowance to veterans who use medication prescribed by VA physicians for skin conditions caused by a service-connected disability which the VA determines causes irreparable damage to the veteran's outer garment.

### AUTOMOBILE ASSISTANCE PROGRAM

The VA offers qualified veterans and active duty service members a one-time payment of up to \$20,114 to be used toward the purchase of an automobile or other forms of conveyance. To qualify, a veteran or service member must have one of the following disabilities including loss, or permanent loss of use, of one or both feet, loss, or permanent loss of use, of one or both hands, or permanent impairment of vision in both eyes to a certain degree.

### MILITARY RECORDS AND MEDALS

Veterans or their next of kin who need assistance in obtaining service records, a DD-214, or replacement awards and medals must formally request them through the National Personnel Records Center (NPRC). The NPRC is the records custodian for most discharged and retired members of all branches of service. The fastest way to obtain a copy is through their website.

If you do not have access to the internet, you can order a copy by mailing or faxing a Standard Form 180. The forms are available in any CVSO office or online at [www.archives.gov/veterans](http://www.archives.gov/veterans).

North Carolina requirements for driving privilege or identification card including payment of the original, renewal or replacement fee, only if new - not on renewal.

## ADAPTIVE EQUIPMENT

VA will pay for installation of adaptive equipment for automobiles deemed necessary to ensure that eligible veterans will be able to safely operate vehicles, and to satisfy the applicable state standards of licensure. This equipment includes power steering, power brakes, power windows, lifts, power seats and other special equipment necessary to assist the person into and out of the vehicle or other conveyance.

VA will also repair, replace, or reinstall adaptive equipment determined necessary for the operation of a vehicle acquired under this program, or for the operation of a vehicle an eligible veteran may previously or subsequently have acquired.

## INCARCERATED VETERANS BENEFITS

### VETERANS COURTS

There is a growing effort in North Carolina to institute more Veterans Courts or dockets to allow district attorneys to send military members and veterans into treatment, rather than jail, when they commit a non-violent offense.

These courts are staffed by people who take into consideration charges and challenges facing veterans who return home from war. They may allow some military members to enter into mental health diversion programs as treatment for non-violent infractions as opposed to automatically jailing the offender.

The law relies on the judgment of a prosecutor, who will determine, on a case-by-case basis, which defendants may be eligible for diversion. These prosecutors must consider, for example, whether a veteran who spent four years at a military base should be offered the same diversion opportunity as one who deployed twice to combat situations in Afghanistan or Iraq.

Prosecutors must decide how serious the crime must be before diversion is taken off the table and must consider the victim of the offense.

### THE VETERANS JUSTICE OUTREACH (VJO) PROGRAM

VJO offers outreach and case management to veterans involved in law enforcement encounters, overseen by treatment courts, and incarcerated in local jails.

### INCARCERATED VETERANS BENEFITS

VA benefits are affected if a beneficiary is convicted of a felony and imprisoned for more than 60 days. Disability compensation paid to an incarcerated veteran rated 20 percent or more disabled is limited to the 10 percent rate.

Payments are not reduced for participants in work-release programs, residing in halfway houses or under community control.

Failure to notify VA of a veteran's incarceration can result in overpayment of benefits and the subsequent loss of all VA financial benefits until the overpayment is recovered. VA benefits will not be provided to any veteran or dependent wanted for an outstanding felony warrant.

VA may be able to take a portion of the amount that an incarcerated veteran is not receiving and pay it to his or her dependents, if they can show need.

When a veteran is released from prison, his or her compensation or pension benefits may be restored.

Depending upon the type of disability, the VA may schedule a medical examination to see if the veteran's disability has improved or worsened.

This referral and collaboration network cuts red tape by linking decision makers, service providers, and military members (current and former) together in a best practices sharing environment. Charged with facilitating collaboration and coordination among federal, state, local, and nonprofit partners, they work with and provide services and supports to the State's active and reserve military members, 700,000 Veterans, and their families.

## MONTHLY MEETINGS

The GWG meets on the fourth Thursday of every month from 2:00 to 4:00p (no meetings in November and December). Meetings are open to the public although registration is required. According to the National Center for Veterans Analysis and Statistics, while the overall veteran population of the United States is expected to decrease significantly in the future, the percentage of women veterans is projected to nearly double in the next 30 years. In 2015, North Carolina ranked 5th in the nation in the number of veteran women-owned employer firms by numbers employed.

## NORTH CAROLINA WOMEN VETERANS

In 2014, North Carolina ranked 6th in the United States in its population of women veterans while ranking 8th in veterans population overall. The women veterans population is the fastest growing segment of vets nationally and in North Carolina.

### NATIONAL GROWTH IN WOMEN VETERAN-OWNED BUSINESSES SINCE 2012:

- 35.9 percent of U.S. business owners are women
- 383,302 veteran women-owned businesses exist – an increase of 294.7% over the 2007 Census data
- Veteran women-owned businesses and firms with no employees generated a total of \$17.9 billion in receipts (businesses with employees generated \$10.9 billion)

Women veterans are a vital part of the veteran community nationally and more than 84,000 women vets have chosen to make North Carolina their home.

A study released by Disabled American Veterans in November 2014 found that women veterans continue to experience “stubbornly high” unemployment rates, a known precursor to poverty. Women veterans are the fastest growing segment of the homeless veteran population, and are at higher risk for homelessness than their male counterparts and female nonveterans.

A 2010 study conducted by the United States Department of Veterans Affairs found that 31 percent of female veterans did

not believe they were eligible for VA benefits, mainly due to a perception that they were not a veteran unless they had served in combat. We here in North Carolina are working to change that misperception, and we need your help to spread the word. Under Federal law, a veteran is any person who has served honorably on active duty in the armed forces of the United States and was discharged or released under conditions other than dishonorable.

The North Carolina Department of Military and Veterans Affairs (NCDMVA) is committed to providing information, advocacy, outreach and support to all women veterans and their families in the state. The NCDMVA also seeks to ensure that women veterans are aware of their federal and state benefits so they can obtain the unique care and assistance that is available to them.

Outreach efforts are expanding every year to aid women veterans in improving access to support and services from public and private organizations that specifically address the needs of women veterans, but we are not content to stop there, we want to do more! Let us know how by visiting [NC4VETS.com](http://NC4VETS.com)

## NORTH CAROLINA WOMEN VETERANS SUMMIT AND EXPO

The North Carolina Women Veterans Summit and Expo is a biennial event whose purpose is to empower women veterans to live healthy, happy lives, become successful leaders in their communities, and to advocate on behalf of other women veterans. Women veterans throughout the state participate in this event to share their stories and exchange ideas about business, entrepreneurship, educational and career opportunities, and health and wellness. The event features state, local and federal exhibitors, a speaking program, and a series of networking and breakout sessions. **NC WVSE** ([women.nc4vets.com](http://women.nc4vets.com))

## NORTH CAROLINA DEPARTMENT OF COMMERCE

The NC Division of Workforce Solutions provides job seeker services for veterans, transitioning service members, and eligible spouses. Women veterans can visit their local NCWorks Career Center and take advantage of no-cost services, including career assessments, job interview preparation, resume and cover letter assistance, access to computers and free internet service, and help with applying to local and federal employment and training opportunities.

Some veterans face significant barriers that make it difficult for them to find suitable employment. Most offices have specialized staff—all of whom are veterans—who work closely with employers to create more opportunities for these veterans and provide them with referrals to supportive services including vocational rehabilitation, transportation, elder care, food and nutrition services, and non-profit organizations that address homelessness.

## UNITED STATES DEPARTMENT OF VETERANS AFFAIRS (VA)

The Women Veterans Call Center (WVCC) answers questions and responds to concerns from women veterans, their families, and

caregivers across the nation about VA services and resources. The call is free, and women veterans can call as often as they need until they have the answers to their questions. Hours of operation are Monday through Friday 8:00am to 10:00pm ET

## ▶ YOU CALL, DMVA ANSWERS – 844.624.8387

The DMVA wants all women veterans to know about their available veteran benefits, services and resources. Many women veterans are not aware of all the benefits and programs they qualify for or are eligible to receive.

Women Veterans seeking assistance may call DMVA at any time by dialing **844-NC4-VETS (1-844-624-8387)** or can visit the website at [milvets.nc.gov](http://milvets.nc.gov).

and Saturday, 8:00am to 6:30pm ET.

WVCC: 1-855-VA-WOMEN (1-855-829-6636)

The VA is taking steps to improve and expand services for women veterans who are homeless or at risk of becoming homeless. Many women veterans face challenges when returning to civilian life that are different from those of their male counterparts, including raising children on their own or dealing with the psychological after effects of events such as military sexual trauma. These issues, without intervention, can put women veterans at greater risk of becoming homeless.

## VA VETERANS HEALTH ADMINISTRATION (VHA)

The Veterans Health Care Act of 1992 authorized new and expanded services for women veterans. These services include: counseling for trauma related to sexual assault; specific health care services such as Pap smears, mammography, and general reproductive health care at VA facilities; and mental health services that include substance abuse counseling, evaluation and treatment of Military Sexual Trauma (MST) and post-traumatic stress disorder (PTSD).

The VHA encourages all women between ages 50 and 75 to get mammograms every two years. If your health care provider recommends a mammogram outside of this age range, the VA will still provide it.

The Department of Veterans Affairs Mobile Mammography Unit provides access to mammography screening at selected VA Health Care Centers in North Carolina, and is one of only two regional mobile radiology units in the US. The Mobile Mammography Unit features digital mammography technology; all-female technologists; a private changing room with separate clinical exam room; and the privacy and comfort of a traditional screening center with the convenience of a fully functioning mobile unit.

The Women Veterans Health Program promotes the health, welfare, and dignity of women veterans and their families by ensuring equitable access to timely, sensitive, and quality healthcare. There is a full-time Women Veteran Program Manager at every VA Medical Center, a Women's Liaison at every community-based outpatient clinic, and a Women Veterans Coordinator at every regional office. **VA Women Veterans Health Care** ([www.womenshealth.va.gov](http://www.womenshealth.va.gov))

## VETERANS BENEFITS ADMINISTRATION (VBA)

The VA's Women Veterans Coordinators can assist women veterans with the development and handling of claims for gender-specific conditions, including trauma from sexual harassment and assault. A PDF document has been created that addresses women veterans' 25 most frequently asked questions about their benefits, and it can be found along with many other resources on the VA's Center for Women Veterans (CWV) website. **VA CWV Resources** ([www.va.gov/womenvet](http://www.va.gov/womenvet))

## UNITED STATES SMALL BUSINESS ADMINISTRATION (SBA)

In March 2016, the SBA's Office of Veterans Business Development (OVBD) and Office of Women's Business Ownership (OWBO) submitted a report to Congress increasing attention on women veteran-owned small businesses. The report compiles and disseminates information on women veterans, and makes recommendations to improve outreach to women veterans, providing them with greater access to procurement, lending, and affordable capital.

Veteran Women Igniting the Spirit of Entrepreneurship (VWISE) is an entrepreneurial training program for female veterans of all service eras and branches with a passion for and interest in either starting a new small business or growing an existing one. VWISE enables female veterans to learn business-savvy skills in order to turn their ideas or businesses into growth ventures while recognizing entrepreneurship as an important part of economic growth nationwide. This unique training program was designed specifically by Syracuse

University with the Office of Veterans Business Development, SBA, to encourage and support female veterans with an interest in exploring career opportunities in small business ownership.

## UNITED STATES DEPT. OF LABOR (DOL)

Women veterans, who comprise 10 percent of the veteran population, but only 2 percent of all working women in America, are a critical segment of today's workforce. Job-hunting can be difficult for anyone, and transitioning veterans may experience culture shock, difficulty translating skills, unfamiliarity with the civilian job search process, and more. Unlike their male veteran peers, women veterans may also experience unique challenges common among nonveteran working women.

Free employment services are available to women veterans nationwide from the DOL Veterans' Employment and Training Service (VETS) Women Veteran Program – these services are targeted to be particularly helpful to women veterans.

As a part of the VETS program, the DOL also funds The Homeless Female Veterans' and Homeless Veterans with Families Program. The program provides supportive services to eligible homeless female veterans and female veterans who are at risk of becoming homeless. The program provides direct services through a case management approach that leverages Federal, State and local resources. Eligible veterans are connected with appropriate employment and life skills support to ensure a successful integration into the workforce.

**CFVF United** seeks to engage the combat female Veterans of North Carolina, as well as deployed combat females preparing for their returns home to North Carolina. With focus on education, support, and advocacy, CFVF United will act as a conduit between female military heroes and the vital resources they need to ensure long, healthy, and fulfilling lives after war.

At CFVF United, we honor the efforts of existing Veterans' services and strive to partner in our ventures to serve our Veteran community. At the same time, we recognize

the areas in which, as a nation, as sisters and brothers in service to others, we can and should collectively improve when it comes to lifting-up and protecting this unique and highly-valued sector of our population.

## WOMEN VETERANS HEALTH CARE

**1-855-VA-WOMEN**  
**[1-855-829-6636]**

Women veterans are eligible for the same VA benefits as male veterans. Comprehensive health services are available to women veterans including primary care, mental health care and reproductive health care services. VA provides management of acute and chronic illnesses, preventive care, contraceptive services, menopause management, and cancer screenings, including pap smear, and mammograms, and gynecology.

- Maternity care is covered in the medical benefits package to include care for newborn children of women veterans for up to 7 days after birth. VA is also mandated to implement pilot programs to provide child care to women veterans receiving medical care, and to provide readjustment services to women veterans. Infertility evaluation and limited treatments also are available.
- Women Veterans Program Managers are available at all VA facilities to help veterans seeking treatment and benefits.

## MILITARY SEXUAL TRAUMA

Other experiences that fall into the category of MST include unwanted sexual touching or grabbing; threatening, offensive remarks about a person's body or sexual activities; and/or threatening or unwelcome sexual advances.

Both women and men can experience MST during their service. All veterans seen at Veterans Health Administrations facilities are asked about experiences of sexual trauma because they know that any type of trauma can affect a person's physical and mental health, even many years later. People can recover from trauma and the VA has free services to help veterans do this.

You do not need to have a VA disability (service connected) rating to receive these services and may be able to receive services even if you are not eligible for other VA care. You do not need to have reported the incident(s) when they happened or have other documentation that they occurred.

For more information, veterans can speak with a VA healthcare provider, contact the MST Coordinator at their nearest VA Medical Center, or contact their local Vet Center. More MST information can be found at [mentalhealth.va.gov](http://mentalhealth.va.gov).
